

CAMP GOOD DAYS CREATING SPECIAL TIMES

2021 ANNUAL REPORT

ABOUT US

OVER **40** YEARS OF
DOING
GOOD

In 1979, Elizabeth "Teddi" Mervis was diagnosed with a malignant brain tumor at the age of nine. Her father, Gary Mervis, traveled across the country to major medical centers seeking the best possible treatment for his daughter. He returned home without the answers he had been looking for and realized that it was not the treatments or diagnosis that was causing Teddi the most pain, but it was the loneliness of being the only child in her school and neighborhood dealing with cancer.

With the help and support of many friends and community members in Greater Rochester, New York, Gary founded Camp Good Days and Special Times, Inc., a 501(c)3 not-for-profit organization, to provide Teddi and other children with cancer the opportunity to come together in a residential camping experience to be with the only ones who could truly understand what they were going through - other children with cancer.

All of the residential camping programs are held at Camp Good Days' own, beautiful recreational facility, located on 13 1/2 acres of waterfront property, on the shore of Keuka Lake in the Village of Branchport, New York. Along with residential camping programs Camp Good Days also provides year-round support and recreational programs.

Through all of these years, thanks to many dedicated and generous donors and sponsors Camp Good Days has been able to keep its promise to the children and families it serves by keeping all programs and services free of charge.

“Camp Good Days is a celebration of life with those who have come to appreciate it the most... a place where courage knows no boundaries!”
