

A Message From the Founder

As I sit and reflect on this past year, I am reminded once again of the journey that began more than four decades ago with my daughter, Teddi. What started as an idea to create a place where my daughter and other children with cancer could just be kids has grown into something larger than I could have ever imagined. Today, Camp Good Days stands as a testament to the power of community, compassion, and the belief that even in the hardest of times, joy can be found.

The year 2024 brought countless moments of hope, courage, and resilience. We welcomed children, families, and adults to our programs who, despite facing life's most difficult battles, found laughter, friendship, and comfort at Camp. These "good days and special times" are made possible because of the generosity of so many — our donors, volunteers, staff, and friends — who give of themselves to ensure that no one has to walk this journey alone.

This past summer was one of the best we've had since the pandemic. The laughter of children echoed across the lake, friendships blossomed, and memories were made that will last a lifetime. Beyond Camp, our year-round programs continued to support those in need, reminding us that our mission extends far beyond the summer months.

As we look ahead, I am filled with gratitude and excitement for what lies before us. The challenges will always be there, but so too will the determination of this community to make a difference. With your continued support, I know that we will carry this mission forward into 2025 and beyond, ensuring that Teddi's legacy continues to shine brightly.

From the bottom of my heart, thank you for helping us create another year filled with love, laughter, and hope. Together, we are making a lasting difference.

With gratitude,

Say -

Founder

Camp Good Days and Special Times

In 1979, Elizabeth "Teddi" Mervis was diagnosed with a malignant brain tumor at the age of nine. Her father, Gary Mervis, traveled across the country to major medical centers seeking the best possible treatment for his daughter. He returned home without the answers he had been looking for and realized that it was not the treatments or diagnosis that was causing Teddi the most pain, but it was the loneliness of being the only child in her school and neighborhood, dealing with cancer.

With the help and support of many friends and community members in Greater Rochester, NY, Gary founded Camp Good Days and Special Times, Inc., a 501(c)3 not-for-profit organization, to provide Teddi and other children with cancer the opportunity to come together in a residential camping experience to be with the only ones who could truly understand what they were going through - other children with cancer.

All of the residential camping programs are held at Camp Good Days' own beautiful recreational facility, located on 13.5 acres of waterfront property, on the shore of Keuka Lake in the Village of Branchport, NY. In addition to its residential camping programs, Camp Good Days offers year-round support and recreational activities.

Through all of these years, thanks to many dedicated and generous donors and sponsors, Camp Good Days has been able to keep its promise to the children and families it serves by keeping all programs and services free of charge.

Camp Good Days is a <u>celebration of life</u> with those who have come to appreciate it the most... a place where <u>courage knows no boundaries!</u>
