- And our own Camp Recreational Facility

LOGISTICS

Prepare for Day Camp

- We provide almost everything Campers will need throughout the week, including a bus bag filled with activities to entertain them on the bus or during down time, entry into all venues, food/snacks, Camp t-shirts, etc.
- Any additional items needed are listed on the detailed schedule for the week (i.e. bathing suit).
- Campers are discouraged from bringing money or valuables.

MEALS

- Lunches are provided.
- Additional snacks, water, and juice are available outside of lunch time.
- Please list all dietary needs/restrictions and food allergies on your child's medical form

HEALTH & SUPERVISION

MEDICAL NEEDS

- There will be at least one registered nurse present each day to help keep your Camper healthy and safe.
- Basic OTC (Tylenol, Benadryl, etc.) and minor injury care (Band Aids, ice packs, etc.) will be available to be administered to your Camper.
- If your Camper needs daytime medications, our nurses are available to administer them with proper documentation.

SUPERVISION

- Campers are matched up with a Camp Counselor who will spend the day with them making sure they are safe and having fun.
- Camp Counselors are fully vetted. They undergo a series of references and background checks and attend a mandatory training.

In the event that a Camper begins to exhibit any COVID-19 related symptoms, they will be moved to an isolated location, and parents or caregivers will be notified for immediate pick-up.

Camper Registration

Registration is will open in CampDoc in the late winter.

CampDoc is a third party camp registration website, we use for both registration and health forms/ waivers.

Please complete the registration form for each of your Campers. Once accepted, you will be notified to complete their health and medical forms.
